

Job Vacancy

"Are you a qualified mechanic looking for a new challenge?"

We're looking for an experienced commercial vehicle mechanic to join our well-established family firm, due to increased business from new and existing customers.

We need a team player to deal with servicing, engine and bodywork repairs, fabrication, maintenance and MOT's on a range of commercial vehicles from 3.5T to HGV.

The role will be based at our well-equipped workshop in Malmesbury, with hours of work full-time Monday-Friday 8am to 5pm. We're a small business that offers a great working environment and value our staff, we'll help with any training and development needs and offer generous holiday, with options to join personal health cover scheme

You'll need to have a driving licence, and a HGV licence would be an advantage.

If you'd like to know more, please contact Chris Bolwell on 01666 826240.
